

## OUT-OF-SCHOOL CARE at BONDAR

Dr. Roberta Bondar Elementary School has the opportunity to offer our school families an Out-Of-School Care service . . . right at the school!

The Out-Of-School Care Program is available for students in Kindergarten to Grade 5 and runs . . .

- before school at 7:00am until school starts at 8:30am, and
- again after school at 2:25pm until 6:00pm on school days
- this service is available for single days as well as for groups of days

The Out-Of-School care also runs from 7:00am to 6:00pm on all Pro-D days, Christmas Break, Spring Break, and Summer Holidays. Students go on mini-field trips, play gym games and field games, and share in many social activities with their group.

Dear Parents,

A branch of the Fraser Valley Montessori Pre-school and Kindergarten Program is in place at Dr. Roberta Bondar School.

New registrations are still available for this year.

The Montessori Program at Dr. Roberta Bondar is available weekday mornings from 9:00 am to 11:30 am on all the days that schools are in session.

Students are instructed in a warm and supportive setting that guides them in growing their academic, social and physical skills and to develop a life-long love of learning. What a great way to have children start their schooling experiences!

Yours truly,

Pat Jensen, Principal
