

A SAFE PLACE IF WE HAVE AN EMERGENCY

As part of the Dr. Roberta Bondar Elementary overall school safety plan, we have confirmed an alternate safe place for staff and students, if any unexpected disaster were to occur.

If there ever was a disaster that made the Dr. Roberta Bondar school site uninhabitable, our students and staff would go to a neighbouring church. Students would be relocated at the following site for parent pick-up . . .

TRINITY LUTHERAN CHURCH

3845 GLADWIN ROAD

ABBOTSFORD, B.C.

V2S 7A1

Church phone: 604-853-3227

We appreciate the kindness of the Trinity Lutheran Church members for offering to provide this back-up facility for our school students and staff if there ever was an emergency that required us to move off site.
